The American College of Surgeons designates this live activity for a maximum of **4.00 AMA PRA Category 1 Credits™**. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Successful completion of this CME activity, which includes participation in the evaluation component, enables the learner to earn credit toward the CME of the American Board of Surgery's Continuous Certification program

Keystone Chapter

Continuing Medical Education Credit Information

Learning Objectives

- Improve learners' performance by providing insight into future surgical educational changes so one can adapt for the betterment of their patients.
- Identify future educational changes to assist learners becoming better surgeons, thereby improving patient care.
- Identify the unique challenges facing surgeons and provide a road map to improving skill sets to enhance performance and patient outcomes.
- Identify surgical mentors to address educational needs of trainees and foster their development as next-generation clinical and academic leaders.

Continuing Medical Education Credit Information Disclosure Information

In accordance with the ACCME Accreditation Criteria, the American College of Surgeons must ensure that anyone in a position to control the content of the educational activity (planners and speakers/authors/discussants/moderators) has disclosed all financial relationships with any ineligible company held in the last 24 months.

Please note that first authors were required to collect and submit disclosure information on behalf all other authors/contributors, if applicable. Please see next slide in this program for the complete disclosure list.

Ineligible Company: The ACCME defines an “ineligible company” as any entity producing, marketing, re-selling, or distributing health care goods or services used on or consumed by patients. Providers of clinical services directly to patients are NOT included in this definition.

Financial Relationships: Relationships in which the individual benefits by receiving a salary, royalty, intellectual property rights, consulting fee, honoraria, ownership interest (e.g., stocks, stock options or other ownership interest, excluding diversified mutual funds), or other financial benefit. Financial benefits are usually associated with roles such as employment, management position, independent contractor (including contracted research), consulting, speaking and teaching, membership on advisory committees or review panels, board membership, and other activities from which remuneration is received, or expected. ACCME considers relationships of the person involved in the CME activity to include financial relationships of a spouse or partner.

Conflict of Interest: Circumstances create a conflict of interest when an individual has an opportunity to affect CME content about products or services of an ineligible company with which he/she has a financial relationship.

The ACCME also requires that ACS manage any reported conflict and eliminate the potential for bias during the educational activity. Any conflicts noted below have been managed to our satisfaction. The disclosure information is intended to identify any commercial relationships and allow learners to form their own judgments. However, if you perceive a bias during the educational activity, please report it on the evaluation.

Disclosure Summary

Planner & Facilitators – the following individuals have no relevant financial relationships to disclose.

Dr. Stanislaw Stawicki

Dr. P. Kurt Bamberger

Dr. Chand Rohatgi

Dr. Shannon Marie Foster

Robbi-Ann M. Cook, CAE

Speakers & Moderators – the following individuals have no relevant financial relationships to disclose.

Dr. Stanislaw Stawicki

Dr. P. Kurt Bamberger

Dr. Shannon Marie Foster

Dr. William Burfeind, Jr.

Dr. Gurshawn Singh

Dr. Christoph Pohl

Dr. Anne Rizzo

Dr. Brian Hoey

Dr. Rebecca Hoffman

Dr. Melissa Linskey-Dougherty

AGENDA

8:00 AM	Exhibit Hall, Job Fair, & Poster Review Opens/Breakfast	
9:00 AM	Welcome Remarks	Dr. William R. Burfeind, Jr. Chair, Department of Surgery St. Luke's University Hospital Network
