

Surgical Jeopardy Returns to the Keystone Chapter Spring Conference

Does your Residency Program have what it takes to be a contestant team on the Keystone Chapter Jeopardy Tournament? Now is your time to register your team to compete at the Keystone Spring Educational Conference on Friday, May 3, 2024, at WellSpan Park in York, PA.

Teams are comprised of three Resident members currently in training at your institution. Each institution can submit one team to compete. The competition will be similar to the game show *Jeopardy* only questions relate to surgical techniques, definitions, and procedures.

The Tournament will take place at 2:00 PM and team members are encouraged to participate in the full educational conference. If your schedule prohibits attending the full conference, your team is required to report by 1:00 PM.

Winning team will take the coveted trophy back to their institution for display and bragging rights until the next competition.
